### **DETAILED ACTION**

1. Claims 7-12, 19, and 20, as amended on 6/1/2009, are pending in the instant application. Applicant's remarks submitted 6/1/2009 have been carefully and fully considered, and are found persuasive. Accordingly, the instant application is in condition for allowance.

### ***Reasons for Allowance***

2. **Claims 7-12, 19, and 20** are allowed.
3. **Claim 7** recites the limitation *"a routing component that provides to external entities a first virtual disk interface to the mass-storage components by mapping each access operations, received from one of the external entities, directed to the first virtual disk interface having virtual sectors of a second sector length to an internal, virtual disk interface with internal-virtual-disk-sectors having a third sector length larger than the second sector length, and then routing the access operations from the internal, virtual disk interface to one or more mass-storage devices of the plurality of mass-storage devices."*
4. **Claim 19** recites the limitation *"mapping, by the routing component, access operations, received from one of the external entities, directed to a first virtual disk interface having virtual sectors of a second sector length to an internal, virtual disk interface with internal-virtual-disk-sectors having a third sector length larger than the second sector length, and then routing, by the routing component, the access*

*operations from the internal, virtual disk interface to one or more of the plurality of mass-storage devices."*

5. Said limitations are taught by the specification as originally filed at least at original claims 7 and 19. Said limitations, in combination with the other recited limitations of claims 7 and 19, as argued by Applicant at the second paragraph beginning on page 18 of the Appeal Brief filed 10/14/2008, are not taught or suggested by the prior art of record.
6. **Claims 8-12 and 20** depend from claims 7 and 19, respectively, and are considered allowable for at least the same reasons as claims 7 and 19.
